Statement of label content

Each label carries the word **Honey**; the brand **Best Friends Honey**; the packer identity and street address along the side panel (**Anselmo Orchards LLC, 827 Kipling Dr, Columbia, SC 29205**); the neighborhood line Heathwood, SC; and net weight in avoirdupois ounces with grams. No ingredient statement is used because the product is pure honey. A print of the three labels is attached as page 2. A close photograph of the 34 oz skep, showing **NET WT 34 oz (964 g)** as printed, is page 3.

I request written confirmation that these labels may be used on jars sold under business ID HNY00003, or a marked copy of any required change. Thank you.
